SERVICES

- **General Contractor**
We focus on precise planning, solid conceptual foundations, and high-quality standards—ensuring that every stage of production and construction complies with established procedures.
- **Architectural Services**
Centered on strong concepts, we act as delegators overseeing the integration of design and functionality, ensuring harmony between vision and reality for practical, effective results.
- **Renovation**
Our renovation services go beyond upgrades or complete overhauls; we collaborate closely with clients to align their ideas with our expertise, enhancing the function and value of every space.
- **Procurement of Construction Goods and Services**
In collaboration with trusted long-term partners, we deliver construction goods and services tailored to client needs—ensuring consistency with measurable standards and expectations.

EXPERTISE

CV. Inti Karya Sahabat prioritizes strong teamwork and offers innovative construction services across our areas of expertise, including:

1. Sustainable Construction

We emphasize environmentally friendly construction practices, clear permitting processes, and time-efficient planning to ensure smooth execution aligned with well-structured strategies. This approach helps maintain strong, lasting relationships with our clients across ongoing and future projects.

2. Procurement of Construction Goods and Services

In addition to construction services, we provide procurement solutions for materials and services related to the construction sector. This enables CV. Inti Karya Sahabat to adapt to evolving client needs—especially those involving the realization of specific ideas or concepts—through our network of reliable partners.

WHY CHOOSE US?

1. Strong Legal Compliance

CV. Inti Karya Sahabat prioritizes strong legal foundations to ensure all operations and projects align with applicable laws and regulations.

2. Customer-Centric Approach

We operate based on our clients' needs, ensuring every aspect of the project is tailored to their expectations.

3. Commitment to Continuity

We build lasting client relationships beyond a single project by maintaining trust through quality work, efficient processes, and cost-effectiveness—securing future collaborations.

4. Innovative Design

Our designs combine aesthetics and functionality through practical solutions focused on time and cost efficiency, aligned with current trends.

5. Time and Cost Efficiency

We achieve successful project outcomes by integrating quality materials, strong project oversight, and precise scheduling—delivering results that satisfy all stakeholders.
